Sir,

Please recall our discussion held with you on the last occasion where we had requested you to release the funds for Repair Maintenance (R & M), House Keeping Staff and Security Guard etc., so that the poor paid Contract Workers can get their wages which are due since three to four months. We know that our company is passing through acute financial crisis. But I would like to draw your kind attention to the fact that the local officers are not in a position to run the administration at the lower level due to this reason. Even the work like day to day maintenance work including line maintenance, fault restoration, running of AC, Generator and also the guarding of exchanges, Maintenance of BTS and marketing etc. are being hampered or disturbed due to the unhappiness of these workers. The total scenario has affected the image of our company. It is reported that the agitated workers have already started the Trade Union action programme in the Circles like West Bengal, CTD, Odisha, Kerela, Karnataka, UP (East), Punjab, Haryana, Tamil Nadu etc. Hope you will realise the situation and do the needful action so that the Department can make the payment to these workers who are performing their duties sincerely.

Thanking you,

Yours sincerely,

**Animesh Mitra  
Secretary General**
