Sir,

Sub: - Day to day maintenance work to maintain the network and infrastructure is being affected due to non-payment of wages to the workers - req.

We have received so many complaints from some of the circles like West Bengal, Uttar Pradesh, Haryana, Uttarakhand and Punjab that the labours who are engaged in the day to day maintenance works and the infrastructure maintenance, are not getting their wages since 4 to 6 months. Most of the field officers and contractors are avoiding their responsibility on the plea that the circle administrations are not getting the funds regularly from Corporate Office. It is also reported that the Circle Administration are expressing their helpless condition to the Union representative as the Corporate Office is not granting the funds regularly particularly in the account of repair and maintenance.

Sir, we know that the department is passing through acute financial crisis in the present year. But, again I would request you to take some urgent action so that the above said circles can get fund to make payment to the labours.

Thanking you,

Yours sincerely,

[Animesh Mitra]
Secretary General
