Sub. : Fund allotment for payment of wages to the contract labours - reg.

Sir,

Please recall our discussion when we met you in last occasion on the issue of payment of pending wages to the contract labours. It is appreciable that during discussion, you had told that Management is very much concern to make the vendors payment so that the contract workers can get the pending wages. You are also aware about that the contract labours in entire circles are yet to get their wages since 10 months. Recently, it is learnt that the Management have got the success to arrange the fund for the regular staff salary payment for the month of October, 2019 and accordingly the fund has already disbursed to the staff through bank on 04th December, 2019.

Sir, it is our earnest request to you for taking some needful action so that the poor casual contract labours can get a good portion of the pending wages within 1st week of December, 2019. I would also like to draw your kind attention on the issue that the contractors / vendors has stopped the action to deposit the EPF / ESI contribution to the appropriate authority due to non-clearance of vendors bill since 10 months. As a result, the contract workers are not getting any facilities of the welfare and social securities.

So, once again I would request you to take some needful action so that these poor labourers can get their wages at the earliest.

Thanking you,

Yours sincerely,

[Animesh Mitra]
Secretary General
