Sub: - Non-payment of wages to the contract workers –reg.

Sir,

First of all, we would like to appreciate your initiative regarding the payment of wages to the contract workers for two months and subsequently the fund had been released from the Corporate Office. But unfortunately, the same are not being paid to the contract workers in some circles due to non initiative by the local management of BSNL or the Vendors. In this connection, we like to draw your kind attention regarding the painful situation of the poor contract workers who are performing their duties last 15 to 20 years in BSNL.

But these poor workers who are the most down trodden of the society have taken the most of the responsibilities to run the BSNL service at the field level. It is unfortunate that their wage is pending for months together, which is inhuman too. It is also painful that though you have allotted some fund for payment of wages for 2 months to the contract workers but the same amount did not make payment to these workers by the local administration or the vendors. So the condition of these poor workers remains unchanged.

On view of the above I, on behalf of BSNCCWF, request you once again for your personal intervention on the issue so that the contract workers of BSNL could be paid their due wages at an early date.

Hope, you would be kind enough to make necessary arrangements for payment of wages to the contract workers.

Thanking you,

Yours sincerely,
